

STRATEGIC PLAN – 2024 to 2026

Libraries in Nakusp have been a part of our community since 1893 and the Nakusp Public Library was first formed in 1920. Our Library has a rich history that has been full of challenges and successes over the years. Throughout our existence, the library has been led by Librarians & Staff working hand in hand with dedicated community volunteers who have willingly served on Library Boards providing guidance and support. Our dedicated Volunteers and Staff are and will remain as an integral component now and in the future.

Our Vision...

Enhance our community through creative, inspiring, innovative, and inclusive services.

Our Mission...

Offering education, information, culture, and recreation in an accessible environment that is a respectful, welcoming public space.

Goals & Outcomes...

- Be a Resource for Nakusp & Area
- Strengthen Community Connections
- Ensure Long-term Sustainability
- Strengthen Advocacy & Partnerships
- Responsible & Effective Governance

Our Values & Guiding Beliefs...

- Library services build community and enhance quality of life for our citizens.
- Promotion and delivery of literacy is essential.
- Accountability and transparency are fundamental for us.
- Inclusivity is vital for our community.
- All citizens need and deserve access to Library services.

Our 2024 to 2026 Strategic Plan charts a course for our Library to serve our community in the future.
